BRIDGE PLAYER
Great Dane Always fancied climbing Sydney Harbour's iconic bridge? Now you can do a trial run closer to home, by tackling Denmark's misleadingly cute-sounding Old Little Belt Bridge, offering Europe's first bridge walk. OK, it's a less-terrifying 60m above sea level (Sydney's peaks at 134m), but at two hours compared to Sydney's three-and-a-half, it could be the climb to help you get your 'bridge legs' before scaling the Aussie giant (bridgewalking.com; £25).
